Revival To Begin At Assembly of God Church

EVANGELIST MICHAEL LALEFF
of Los Angeles, California

Beginning April 28th, for ten nights or longer, revival services will be held at the Assembly of God Church, with Evangelist Michael Laleff, prophetic preacher and Bible teacher, from Los Angeles, Calif., in charge.

Bro. Laleff is a native of Bulgaria, coming to America several years ago to get rich. He found Christ. You will find him to be an interesting speaker.

Come and bring your friends.

Camp Fire Girls Meeting In Hamlin May 3

All mothers of girls interested in Camp Fire Girls and Blue Birds will meet Thursday, May 3, at the Elementary School building at 3:00 P. M., preceding the Parent-Teacher meeting at 4:00.

Mrs. Fred Stockdale, of Haskell, the Executive of the West Texas Area Council of Camp Fire Girls, Inc., will speak at this meeting and questions concerning the work and program will be answered.

The Camp Fire Program cannot be carried on by girls alone. It requires leadership and guidance of the highest type. It is a program shared by parents and daughters.

A Council Fire is being planned for the reception of members for the middle of May. A Dad-Daughter Affair is also on the May slate!

The Alcazar is a place in Seville built by the Moorish kings.

The Mayor Proclaims Two Weeks Clean-Up

TO THE CITIZENS OF HAMLIN: The time has come again for our annual Fire Prevention campaign and for our annual Clean-Up Campaign in the City of Hamlin. These campaigns promote conservation of property, sanitation, public health, decrease hazards, beautify our city, stimulate public morale, and are of vital importance to our National Victory Program; and

Whereas, the lives and property of our people and our war production program are endangered by fire hazards; and

Whereas, the general health and welfare of our citizens depend upon wholesome surroundings arising from good clean living conditions;

Now, therefore, I, Joe L. Culbertson, mayor of the City of Hamlin, do hereby proclaim the 14 days beginning April 30th to May 12th as Fire Prevention and Clean-Up Time in the City of Hamlin. In the name of those engaged in these campaigns and of every citizen who wants a safer and cleaner city, I earnestly request everyone in Hamlin to join actively in this movement to make our city the cleanest, safest, healthiest and the most beautiful city in Texas.

Respectfully,

Joe L. Culbertson, Mayor. (26-2t)

Canning Sugar Coupons Issued After May 1

Anson, Hamlin, and Stamford offices of Jones County War Price and Rationing Board will begin receiving applications for home canning sugar Tuesday, May 1, 1945.

Spare Stamp No. 13 in War Rationing Book Four (4) will be detached when application is made. If Spare Stamp No. 13 has been lost from Book Four, an affidavit will be required before application can be filed for sugar.

Please call at your nearest Rationing Office and file your application as soon after May 1, 1945, as possible for you to do so. All sugar coupons will be mailed and it will require a few days to issue them after applications are received in the office.

Dr. and Mrs. Frank Johnson, of Rotan, were here Sunday to visit their parents, Mr. and Mrs. W. F. Johnson and Mr. and Mrs. M. P. May.

Jones County Men Recently Inducted

The Herald has finally been furnished with the official list of men from Jones County who were recently sent to Dallas for induction. The list is as follows:

Ralph Doyle Ross, Harper Odell McCray, Quaito Don Gould, Clarence Curtis Terry, Dorsey Lee Allen, N. J. Rainwater, George Andrew Bury, Leonard Lee Hughes, Lawson James Hager, Leonard Allie Foster, Joe Dick Giddens, Jr., Clayton McCombs, Henry Marcus Phillips, Jr., J. D. Wright, John Edward Farnsworth.

Burl Leroy Young, H. H. Jones, Jr., Henry Kingsford Harrison, Burl Dee Walker, Emory Vernis Potts, Jake Thomas Weir, Pete Rayez Cadillo, Stephen Jefferson Neal, John Henry Ford, William Lloyd Lett, Willie Joe Johnson, and Albert Finis Hardin.

Some of these fellows were sent to Fort Sam Houston, where they will remain for a short while before assignment.

B. Hassen Store Sells To D & H Dept. Store

This week the D & H Department Store announces the purchase of the B. Hassen Dry Goods Store of Hamlin. It will be noted in other announcements that there is a D & H Department Store in Rotan, Roby and Stamford. The Hamlin location seems very logical.

A Hamlin man, Everett Townley, is the local manager. Mr. Townley has had many years of merchandising in Hamlin. Since coming here in 1932, he has served most of the time as head clerk or as store manager. He announces in this week's Herald that after May 1, the D & H Store will move one door south to occupy the building formerly known as the Schoemann Store.

Others on the staff of the D & H Store are Miss Elsie Withers and Mrs. H. A. Johnston. Later Mrs. Townley will join the sales force.

Announcement From Mr. and Mrs. B. Hassen

Owing to illness, I have sold my store to the D & H Department Store, a well known firm operating in several near-by towns.

We have operated a store in Hamlin for 16 years and it is with regret that we retire from business here. We thank our friends and customers for their business. We know you will find the D & H Store a good place to buy your dry goods.

Again let us thank you for your friendship and business during all the years that have passed.
MR. AND MRS. B. HASSEN.

May 28 Closing Date For Hamlin Schools

The Hamlin Schools will officially close on Monday evening, May 28, with the Commencement Exercises.

Students of the Senior Class will conduct the Commencement program and will discuss the subject, "Civic Improvements to Meet Current and Post-War Needs in Hamlin." Six honor students will present this discussion.

Baccalaureate services will be held Sunday night, May 27. The Rev. H. I. Robinson, pastor of the First Methodist Church of Lubbock, will preach the sermon.

On the evening of May 4, members of the graduating class will be entertained at a special banquet by the Methodist Church.

On Thursday afternoon, May 10, the Senior Class plans to begin its activities for Senior Day, to be held on May 11. Hay rides, slumber parties, picnics, and activities within the school wherein the Seniors will take charge of the high school for a portion of the day of May 11 are included in their calendar.

Announcements concerning the closing of the Elementary school will be made in the near future, according to G. R. Bennett, Superintendent of Hamlin Schools.

Notice

My father, Dr. Q. D. Gould, of Stamford, will be in my office each Tuesday, Thursday, and Saturday.
Hours: 9:00 A. M. — 5:30 P. M.

The same service always found in this office may be expected.
DR. Q. DON GOULD (24-4)

Final Rites For M. G. Cooper Held Sunday

M. G. Cooper, who lived in Hamlin in its early days and operated a men's furnishing store here for several years, died at his home in San Antonio, Thursday, April 19.

Survivors are his wife, the former Miss Maggie Adkins, and one son, Garland Cooper, of Houston.

Mr. Cooper was a few months over 66 years of age. He will be remembered by Hamlin people as a congenial, quiet and esteemed citizen. He had been a member of the Baptist Church from early manhood.

Funeral services were held at the First Baptist Church, at 3:30 Sunday afternoon, with the pastor, Rev. B. J. Martin, in charge. Interment was in Hamlin East Cemetery, by the side of his mother, the late Mrs. Savage, under direction of Barrow Funeral Directors.

The body was accompanied to Hamlin by the wife and son and a neighbor of Mrs. Cooper in San Antonio. A sister of Mrs. Cooper, Mrs. Herman Scruggs, of Dallas, also came for the funeral.

Lower Water Rate For Summer Announced

The Herald is authorized to state that the City of Hamlin has decided to again lower the "excess" rate on water for domestic purposes for the summer, starting with the usage in May. This means that you continue to pay the usual minimum rate of \$2.00 per month, and 10 cents per 1,000 gallons in excess of the minimum. This should encourage more and better gardens, lawns and flowers, and perhaps a few more baths per month. We have plenty of water. Use it. It costs about 10 cents per 1000 gallons to treat it and pump it up into the standpipe.

Mr. and Mrs. L. M. Belew, of Abilene, spent the week end with their son, C. W. Belew, and family.

Robert S. Dean Died In Oakland, Calif.

Information came to Hamlin Tuesday that Robert S. Dean had died in a hospital in Oakland, California, where he had been ill for some time. He died at 7:30 A. M. The body is being shipped to Hamlin for burial and will probably arrive late Saturday or some time Sunday.

Funeral arrangements have not been completed. His sons in the service are overseas, but one or more of them may get to come home. Other details will be published next week.

This Week Jones Co. Lost A Valuable Citizen

Last Sunday, in his new home in Abilene, Rev. F. A. Pope, a Baptist minister of long and faithful service in Jones County, passed away at the age of 67 years. He had lived in Anson and Jones County constantly since 1917. He had preached, perhaps, in every Baptist church in this county.

Rev. Pope served as County Missionary two years; was County Superintendent of Schools nearly two years; taught in the rural districts; and at the time of his death was pastor of the rural churches of Nugent and Horn, in this county.

He loved the people of the farms and nothing delighted him more than to preach for them in their small churches. F. A. Pope was widely-known and loved by the people of this county for his sincerity and devotion in his ministry and efforts to help his fellow man.

Mrs. S. T. Harrison, of Memphis, spent the week end here visiting her daughter-in-law, Mrs. Wendel Harrison. She was accompanied by Mrs. Frank Phelan and Mrs. D. A. Neeley, also of Memphis, who were guests in the home of Rev. and Mrs. E. L. Yeats.

THIS WEEK

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

That

—THIS Week we are attempting to "pitch in" a few personal remarks in this little column of the Herald.

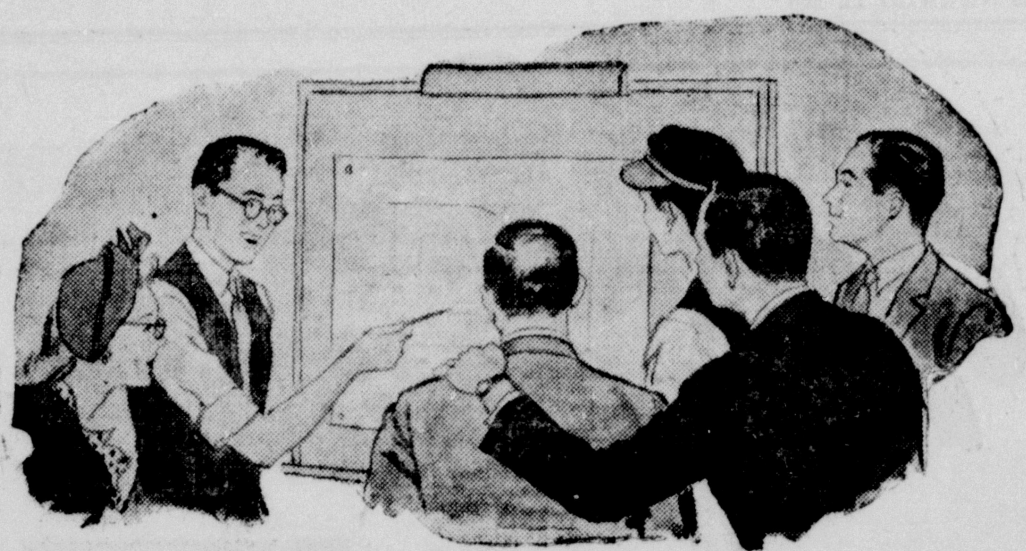

—We regret very much that circumstances have crowded this column out of the Herald the past year. We think it is very appropriate for a newspaper publisher to have "his say" occasionally, and this column is for the purpose of rounding up a few things that ought to be said.

—In recent years, even the past year, we have launched out in comments on the war and have guessed many times and missed it so badly we just shut up on that subject. But here we go again.

—We have kept maps continually under our eyes for about four years. The last map is marked "Final," as far as Europe is concerned. We can tell right off hand, more about countries and their towns, rivers, hard spots, soft places, than we ever believed possible...and think how we have "traveled" on maps with our armies...have followed the merciless flying dragons and roaring of Germany, into every country in Europe...Germany has made her own history...she has tried the impossible; she is now paying in blood and death, destruction and despair; she has ravished and robbed her neighbors; ensnared and enslaved millions of helpless victims; she has crowded her "inferiors" (?), even her own objectors into dens of disease and

Hamlin Girl's Husband Released From Prison

Mrs. Elsie O. Lewis, the former Alma B. Garrett, received a message Tuesday from the War Department that her husband, Pfc. Lewis, had been rescued from a German prison camp and returned to military control, April 4. The message further stated that he was hospitalized in the European area, but not from enemy action.

Pfc. Lewis was first reported to be "missing in action" Dec. 21, 1944, and later word came that he was a prisoner of war.

Lt. Billy Joe Burton, son of Mr. and Mrs. J. H. Burton of Abilene, was here Wednesday for a short visit with Mr. and Mrs. W. C. Russell, and other friends. Lt. Burton, who had been stationed on Matagorda Islands, Texas, was en route to a new assignment in North Carolina.

Mrs. John Cole, Jr., has received a letter from her husband in Germany. One of the things he told her was, "I'm living in three-story homes that once lodged people of Germany. They moved out in a hurry. It is really getting noisy around here and is already pretty hot". . . then he says he would like to see his little son, Danny. (OK, Corporal, hope you will soon be living here in West Texas in a one-story house with your wife and baby.)

S&S

Joe Ball, RT 3/c, came in Monday night from Washington, D. C., to visit his parents, Mr. and Mrs. Clem Ball, for about nine days while on his way to San Francisco. Joe has been in the Navy exactly one year last Wednesday. His brother, Pfc. Clem Ball, is in the Infantry at Camp Howze, Texas.

S&S

Pvt. Troy Coldiron arrived Sunday from Camp Roberts, Calif., to visit his wife and little daughter, Irma Ruth. He will report to Fort Meade, Md., about May 7. Mrs. Coldiron is a daughter of Mr. and Mrs. B. C. May, Santa Fe Section Foreman.

Mrs. R. L. Norris, of Bremond, Texas, sends in a subscription to the Herald for her son, H. G. (Bill) Norris, Chief Ph. Mate. She also tells that Bill was married Dec. 15, 1944, to Miss Maureen Nelson of Corona, Calif. He served overseas two years and returned to the States in April 1944. He was sent overseas again in March of this year.

work, and little or no medical care. Could the world expect anything else than the wholesale miserable mess that now comes to light? Now the Germans must perish and mostly by their own choice. . . no human mind can express in words what this modern war has done to human flesh and heart. . . what is being revealed in Europe is only a part of the agony that has been experienced in the slow creeping death that a crazy idea developed in Europe. . . Germany is gone, it seems, and not even a German should grieve. . . her fanatics have done their own country as much hurt as their "inferiors" have suffered. . . and NOW we stand once more on a trembling, new future, and whether or not the scenes of this day shall ever appear again, depends on how determined free Americans act the next 25 years.

—Here at home in Hamlin, we see how hearts have felt towards the unclothed people of ravished Europe. . . If every little community has dug out as many comfort-giving clothes as Hamlin, there should be many warmed men and women and little children in Belgium, Holland, France and other suffering nations by next winter. We all should feel glad that we have given. And don't expect the call upon this nation to end with clothing. . . the test is coming on other lines. . . the war is NOT over, yet . . . soon, our boys will be coming back from a great war won in Europe, weary, tired and home-sick, but many of them will not want to loll in indifference while a couple of million boys are still fighting the Japs. We have the most puzzling and difficult task ahead of us. Let's be as faithful as the men who have blasted down arrogant Hitler and his henchmen.

—The brains and hands that strive in the San Francisco Security Conference need every whit of wisdom each American has, plus more tolerance than ever before. . . maybe it was criticism that killed Franklin Roosevelt. Maybe if we realize that fact, his death will be a blessing by forcing us to yearn to help and carry the load instead of killing the hand that is striving to carry a better world, secure for all freedom loving peoples.

About Soldiers--Sailors

PVT. DOYLE JONES WAS SERIOUSLY WOUNDED

Some time ago information came that the Jones brothers, son of Mr. and Mrs. R. M. Jones, Rt. 3, Hamlin, were slightly wounded. Doyle did make light of it, and had to write for his brother, Rex, because he was unable to use his arm. Last week the parents received a telegram from the War Department that is quite puzzling. It read: "The Secretary of War desires to express his deep regret that your son, Harold Doyle Jones was seriously wounded on Luzon, March 12." Then they indicated how to send his mail in care of the Central Hospital Directory. Here is hoping that these boys are not as badly hurt as indications point.

S&S

The Herald has a communication from the Philippine area concerning a Mexican soldier, Pfc. Jesus S. Rivera, whose address is Rt. 2, Rotan, west of Hamlin. Private Rivera was awarded the Purple Heart Medal for wounds received in combat against the enemy on Luzon. He was in the artillery.

S&S

Marnie Ray Barton, a graduate of Hamlin High, Class of 1940, and a boy who will be remembered as a football player, has been doing service in Hawaii for the past year. His mother, Mrs. W. H. Barton, of Sylvestor, says he is longing to meet some of his pals from this part of the world before he moves out of the islands. (This is another case when one Piper wants to sit down and talk with another Piper. Somehow, a boy would feel better in battle if he just knew that a few yards away there is a "Piper pal" helping him carry the "ball" against the enemy. Stay in there, Marnie, we know you have plenty of fight in you.)

S&S

Aviation Cadet J. V. Johnston and wife came up from San Antonio last Sunday for a few days visit with his grandmother, Mrs. J. V. Milsap. He has been in the Army 14 months. His home was formerly Seattle, Wash., where he was married five years ago. His wife did not change her name—she was Miss Doreen Johnston before her marriage.

S&S

Pfc. Alton W. Harrell, a former Hamlin boy, son of Mr. and Mrs. J. V. Harrell of Pasadena, Texas, is having a big seeing spree in Europe. He says he likes London better than either Rome or Paris and hopes to see what's left of Berlin soon. He is a paratrooper engineer, who comes down on them out of the blue sky. (It is hard to realize that this "kid" is big enough to be in the Army.)

S&S

Mr. and Mrs. C. C. Prater left this week for Bakersfield, Calif., to visit their son, Tech. Sgt. Charles Prater, and wife. Sgt. Prater is serving with the Air Corps and is stationed near Bakersfield.

A nice long letter has been received from Richard L. Branscum, RM 3/c, who is with the Amphibious Forces in the Pacific. Richard took part in the Iwo Jima invasion. He said that he saw the dedication of the Fourth Division portion of the Iwo Jima Cemetery. "My hat is off to the Marines because they are the boys who deserve a lot of credit." And speaking of Bonds, he says, "I hope the people of Hamlin will go over their quota again."

S&S

The Witt family was made happy Tuesday when Mrs. Gean Witt received a letter from her husband saying that her husband and his twin brother, Dean, were still together and were living in foxholes, fighting mosquitoes as well as Japs. Not much hint was left as to where they had been sent. They spent a long time on Saipan in an Engineering unit. It had been about six weeks since the family had heard from these boys. The letter was post marked April 18, meaning good time was made in delivery.

S&S

Pvt. Charles Carter is a long way from Flat Top, his home, but he still keeps all of us in mind, as he travels through Germany. On March 28, he wrote that he was getting his Herald and "sure glad to get it. . . These Krauts are really getting what they have been needing for a long time. . . From the looks of things it won't be too long until the boys from this theater of operations will be returning home. . . Tell everyone hello for me and keep chins up because it will not be long until Germany is a thing of the past.—Pvt. Charles Carter." (Charles, from the reports about German concentration camps and their cruel treatment of humanity, they have forfeited their right to be listed as a unit nation.)

S&S

The Herald has an interesting letter from our young friend, Pfc. James (J. W.) Brunson, whose parents are Mr. and Mrs. S. T. Brunson of Slaton, but formerly of Hamlin. J. W. is in Europe now and has been through almost every country. He receives the Herald from his parents. He says, "I am proud to read of the good work the Hamlin boys are doing throughout the several theatres of war. . . Through the whole of Europe, one cannot miss the gutted buildings and rubble-strewn streets, wondering if the continent can rebuild and repair and still be able to battle in another quarter century." (This is another sample of a Hamlin boy thinking back to old "friendly friends.")

S/Sgt. Vernon Keith, of Little Rock, Ark., is spending a 16-day furlough with his sister, Mrs. C. L. Garrett, Rt. 1, Hamlin, and with his parents, Mr. and Mrs. H. D. Keith, in Lubbock.

A. G. Perry, who has been engineer for Hamlin Cotton Oil Mill for 13 years, has resigned his position, effective April 28. Before coming to Hamlin, Mr. Perry had operated and maintained Electric Power Light and Refrigerating plants for 16 years, nine years of which were with the Texas Power and Light Company. He is now taking the same work with this company.

Soon travelers will be seeing plots of beets, beans, tomatoes, corn and other needed vegetables "coming along" on both sides of our tracks.

For once again Santa Fe has made its right-of-way available to its employees for Victory Gardens.

We are also offering \$2720.00 in War Bonds to our best Victory Gardeners as an added incentive toward helping "Food Fight for Freedom."

Located as we are "Along the Route to Tokyo," Santa Fe people throughout our 13,093 miles of track can "feel" this war. They are working full hours to move along the never-ending loads of guns, tanks, men and munitions.

Perhaps that's another reason why they're not only working harder on their railroad jobs, but are pretty fine War Bond buyers and Victory Gardeners as well.

It's Santa Fe all the way for the U.S.A.!

Juniors Honor Seniors With Annual Banquet

Honoring members of the Senior Class of Hamlin High School, the Junior Class was host at the annual Junior-Senior Banquet held Friday evening, April 20, at 8:00 in the banquet room of the First Methodist Church.

A May Time motif was featured in all decorations and appointments. Large May poles, entwined with foliage and spring flowers, were placed at vantage points in the room. Windows were decorated with flower-twined trellises.

Miniature May poles with streamers in spring colors repeated the theme on banquet tables. White and green programs and menus were at places marked with white cards lettered with pastel shades.

The Rev. E. L. Yeats, pastor of the First Methodist Church, was toastmaster.

Brad Rowland, president of the Junior Class, welcomed guests. Theford Copeland, Senior Class president, gave the response. Other numbers on the program were given by Reta Jo Dean, Elaine Jones, Judy Gordon, Miss Marguerite Nobles, Miss Edwina Gilbert, Brad Rowland, Jack Gray, Joe Clements, and Mart Farrow.

Following school tradition, girls from the Sophomore class served the banquet. They wore white uniforms with pastel aprons.

One hundred and forty guests attended.

Mrs. Curtis Martin who suffered a serious injury several weeks ago when a cable on the elevator at the Hamlin Hatchery broke and let her fall from the second to the first floor, was able to return to her home Monday. She is recovering nicely.

Like a giant broom sweeping China, the Asiatic wind shoots a blinding fog of dust out over the Yellow Sea. Gosh, the pranks of wind and weather are endless . . . often dangerous! But Spring weather's most dangerous threat to your car dies down the minute you change to fresh motor oil that will OIL-PLATE your engine—bringing new high resistance to wear—helping to keep up mileage and power, while holding down carbon and sludge.

All you need is patented Conoco Nth motor oil for the added safety of OIL-PLATING—a shield of lubricant added direct to inner engine parts. OIL-PLATED metal isn't all bare to wear. Even baffling corrosive wear—from acids that engine combustion always forms—is curbed by OIL-PLATING.

A feat of research—a special Conoco Nth ingredient that supplies magnet-like energy—is responsible for keeping your engine's delicate finish OIL-PLATED as long as you use Conoco Nth oil. This oil's high-strength liquid film, plus OIL-PLATING besides, means multiplied safety from wear, breakdown and expense. You will be glad you paid a bit more—to get Conoco Nth motor oil. THE CHRISTIAN HOME

"And Adam said, This is now bone of my bones, and flesh of my flesh; she shall be called Woman, because she was taken out of Man. Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh."

INTRODUCTION

This is the beginning of a series of articles on the home. The plan is to set forth the teachings of the Bible on each phase of family life. This will necessarily involve treatment of some of the pressing problems that disturb domestic happiness. These articles will appear in regular order.

THE FUNCTION OF THE HOME

God saw in the dawn of time that "it is not good that man should be alone." (Gen. 2:18) Moved by this realization, Jehovah created woman. In this way God established the home for the happiness of mankind. That means that the home, like the church, is a divinely-established institution. This places a halo of sacredness and holiness around every fireside relationship.

The home is the oldest institution in the world. Before there was a human government, school, church, or business organization, there was a home. Throughout history the family has been the foundation unit in orderly society. The rise and fall of nations have been measured by purity and stability of family life.

There are many distinct purposes served by an efficient home. Prominent among these varied family functions are the following:

1. The development of wholesome personality through companionship and effectual satisfaction is the first work of the home. This was the specific purpose which called the first family into being. Adam needed a companion—"a help meet for him." Love should reign supreme in the home. It should be the one place above all others where each member of the family can feel secure, free from the cares and worries of the outside world.

2. Continuation of the race. The home alone can give honorable birth to children. Illegitimacy always means sin, shame, and suffering to everyone involved. Some countries, notably Soviet Russia and Nazi Germany, have tried various experiments in rearing children in state-controlled orphanages or schools. The complete failure of all such schemes emphasized the wisdom of God's ordained plan.

3. Medium through which the child is introduced to the universe at large. A newborn baby speaks no language, has no convictions, and only potential moral qualities. When this infant has matured into manhood or womanhood, language, skills, convictions about God, the church, etc. and personal moral qualities will have been developed. The home, more than any other agency, influences the quality and direction of this development. This process requires about twenty years of careful effort on the part of the parents.

4. The Education of children. The home is responsible for the training of the child. Other agencies, such as the public school and the church school, may properly be called in to help the home, but these must never be relied upon as a substitute for the home. The responsibility of seeing that children are brought up in "the nurture and admonition of the Lord" remains on the home.

5. Religious development. Prayer, Bible study, and family worship should be a regular part of home life. Faith acquired around mother's knee, remains through life as a support and safeguard. Remember Paul's words to Timothy: "When I call to remembrance the unfeigned faith that is in thee, which dwelt first in the grandmother Lois and thy mother Eunice; and I am persuaded that in thee also." (II Tim. 1:5)

6. Economic arrangements suitable to the rearing of a family—this calls for a distribution of labor between man and woman on a business basis. The woman can best serve in the home. Present-day trends threaten to upset this arrangement by taking the woman out of the home. The results can not be good for the home.

7. Recreational activities are most valuable when enjoyed by the family as a whole. When this is done as it should be done, you will have no need for your Youth Centers, etc., which take the children from the home instead of tying them to it with that devotion that is rightfully theirs. Especially husbands and wives should spend their leisure time together as far as possible. Separation in the use of leisure time often leads to a broken home.

8. Protection and discipline are ends most effectively reached through the home. The police and juvenile courts are at best poor substitutes for a well-ordered home. The family is able to exercise discipline through love, training, example, and many other channels not possible for formal agencies.

(Continued Next Week)

Mothers and Fathers, are your children receiving proper religious training? Bring them to worship.

Woman's Literary Club Closes With Tea

Mrs. Henry Albritton was hostess to the Woman's Literary Club at a tea Friday, April 20, which marked the close of a very interesting year's work.

Members were welcomed by Mrs. Albritton and invited into the dining room by Mrs. R. D. Moore. Refreshments were served from a beautifully appointed table laid with a cut-work cloth and decorated by a lovely arrangement of snapdragons. Beautiful red roses in a crystal bowl centered the buffet.

Following the business session, Mrs. John D. Ferguson, Mrs. J. H. King, Mrs. Art Carmichael, Mrs. O. D. Roland, and Mrs. R. D. Moore each gave very interesting reports of a meeting of Texas Federation of Club Women which they attended in

Fort Worth, April 11. The programs of this convention were built around the theme of "Life, Liberty, and the Pursuit of Happiness."

Mrs. Henry Albritton, club president, spoke briefly of the past year's work, and installed the following officers: Mrs. John D. Ferguson, president; Mrs. O. D. Roland, first vice president; Mrs. Tate May, second vice president; Mrs. J. H. King, recording secretary; Mrs. W. S. Shead, corresponding secretary; Mrs. R. D. Moore, treasurer; Mrs. Art Carmichael, parliamentarian; Mrs. J. W. McCrary, musician; Mrs. L. B. Maberry, reporter; Mrs. H. O. Cassle, librarian; and Mrs. W. L. Boyd, Jr., critic—Reporter.

Wilma Lou Moore, daughter of Mr. and Mrs. W. C. Moore, was taken to the Hendrick Memorial Hospital in Abilene, Tuesday, for medical treatment.

Texan Gets Big Job To Promote Gas Industry

D. A. HULCY

An expanded program of advertising, promotion and research aimed to bring improved gas appliances to American homes will be lead by a Southwestern gas executive, D. A. Hulcy, Dallas, president of Lone Star Gas Company, has been appointed chairman of a new promotional committee of the American Gas Association which will conduct a huge national advertising campaign.

Mr. Hulcy's appointment is considered by business men to be a recognition of the leading part which the Southwest plays in the American gas industry. Texas, in fact, is the nation's leading producer of natural gas.

Mr. Hulcy's committee will supervise activities of a promotional bureau to be organized by the gas association. A full time promotional director is to be appointed. Funds totaling more than \$1,500,000 a year are being contributed by gas companies throughout the country to conduct research, improve gas appliances, and to tell the story of gas to the American public.

Mrs. G. W. Calvert from near Ft. Worth came last week to visit her son, Roy Kelly and family, and to be with her grandson, Billy, who is recovering from an operation. Billy is the son of H. V. Kelly, S 2/c, who is in Hawaii. Mrs. Kelly and little son are making their home in Roby.

Mrs. John Roberts and son, J. W., of Knox City, were here Tuesday to visit her brother-in-law, Ben Wilkenson, who is ill in the Callan Hospital in Rotan.

Mrs. John F. Green, Jr., and little son, Johnny, returned to their home in Sanderson Monday, after a visit here with Lt. Green's parents, Mr. and Mrs. John F. Green.

GOOD MANAGEMENT!

It's a neat feat to navigate a windy corner with a pile of packages and keep skirts down to a modest level.

We're facing a somewhat similar problem during these stormy war years—carrying bigger power loads, higher costs, heavier taxes—and still keeping prices at low pre-war levels.

We're rather proud that electricity hasn't been rationed and hasn't gone up, like so many household necessities. In fact, the average family actually gets about twice as much electricity for its money today as it did 15 years ago.

This takes good management, too.

POT-SHOTS FROM MCCAULLEY

BY GEO DARDEN

Cpl. and Mrs. Leldon Clifton, of South Carolina, are visiting for a few days with her parents, Mr. and Mrs. F. L. Rector.

Louie and Clifford Jones, of Lubbock, were in McCaulley last Monday. The Jones boys say that it is still very dry on the plains.

J. O. Jones who underwent a major operation in a Dallas hospital a few weeks ago spent last Monday night in the home of son and family, Mr. and Mrs. C. D. Jones. Mr. Jones is doing fine.

Mrs. James Wall, of Pecos, spent a few days this week with relatives in McCaulley.

Mrs. W. H. Pickron, Jr. has returned to this community to make her home for the duration. Lt. Pickron left Dalhart several days ago for overseas duty.

Hello, Peggy, away up in Detroit. Glad you are enjoying the Herald. Write again sometime.

Rev. C. E. Dick has been confined to his bed for several days with a case of the flu.

Ed Mason was in a Stamford hospital a few days last week for treatment.

Egbert Dick and wife, of Hawley, and Mrs. Sallie Parker, of Spur, visited last week in the home of parents, Rev. and Mrs. C. E. Dick, in McCaulley.

Mrs. Joe Miers and Jamie Wall spent last week in the home of Mr. and Mrs. N. D. Miers in the Hobbs community.

Mr. and Mrs. Monroe Hopkins, of Austin, visited last week with relatives in McCaulley.

Pat Rector, little daughter of Mr. and Mrs. L. E. Rector, suffered painful injuries when struck with a baseball bat while at play at school last week.

Mr. and Mrs. O. T. Hennington visited friends in Hamlin last Sunday afternoon.

The eyes of the world will be turned upon the San Francisco conference this week and next. We notice that the only woman delegate, old sister Gildersleeve, is already acting up. Gotta' notion that she has no business as a delegate anyway.

Will the officials of this government become soft-hearted after this war toward our enemies and let them down with a soft peace? Lord forbid.

The Allied armies are discovering in their rapid advance through Germany the horrible conditions in the

prisoner of war camps. American boys have starved to death, and German prisoners in this country practically live off the fat of the land. What a contrast! Who's to blame? If Washington doesn't know, then it is time we send men to Washington who do not go around with their hands behind them. There is something "funny" in Denmark when German prisoners in this country are petted and pampered and even wined and dined when our boys starve and suffer in German and Jap camps.

Will the "high ups" of this country ever learn that "an eye for an eye and a tooth for a tooth" is the only way to cope with a race of people as brutal as the Jap and German war machines? And it's not all together the war machines—but the civil population, as our boys who are there will testify.

One "nit-wit" writer even wrote pleading that the Japanese Emperor and his palace should not be bombed. Personally, we believe the writer should be given a ride in a B-29 or a P-47 over Tokyo and dropped on the Japanese capital so that he may be near the "home loving" common people of Japan. No doubt the writer has forgotten some of the heinous crimes committed by these so-called home loving common people of Japan. Just ask some of the boys who were captured by them—those that were lucky enough to escape.

There is too much "pussy footing" within our ranks. We'd better face facts and let the boys who fought this war dictate the peace.

There is little doubt that many prisoners of war held in our own country will, after the war, want to make the United States a permanent home, and no doubt there will be people silly enough to want to keep them as citizens. It is time for all good citizens with "spunk" to holler.—A-DARDEN-O-GRAM.

A demonstration on the correct and most attractive way of table setting and tips on the choice and care of table linens was given. A talk on the Art of Living was made

by Mrs. John H. Reynolds, who also assisted her mother, Mrs. Lee, in serving refreshments to the following: Mmes Geraldine McCullough, Lewis Boyd, Oliver Lee, Geo. Darden, Jimmy Fancher, Della Fancher, Ben Kemp, Rosco Perryman, Frank Jackson, Levi McCollum, Silas Dixon, Chas. McHonie, Frank Kemp, Horace Barton, and Luther Mabery.

The next scheduled meeting will be in the home of Mrs. Horace Barton, with Mrs. Chas. McHonie co-hostess.

Mrs. W. H. Collins, of Brownfield, came Monday to be with her sister, Mrs. Vera Nobles, who has been very ill. Mrs. Nobles' condition is much improved and she was able to return home Wednesday from the Stamford hospital.
